#### SALOONMEN ARE WARNED NOT TO PROVIDE MINORS WITH LIQUOR

That several local saloonkeepers are indulging in the habit of supplying minors with liquor is the charge of the town and county officials, and in order to put a stop to the practice, the county commissioners have authorized by the county commissioners to investigate the matter. This action by the commissioners resulted from the police arresting a half dozen youngsters about a month ago after the youths had imbibed freely of intoxicating beverages. All the children were under 14 years of age.

Extracts from the state laws have been printed, wherein the sale of liquors to minors is prohibited, and copies are now being distributed to every saloonkeeper and dealer in liquors. Two extracts in particular are printed herewith:

"Any proprietor, keeper or manager of a saloon, or resort where spirituous, malt or fermented liquors or wines are sold, who shall knowingly allow or permit any person under the age of 21 years to remain therein is guilty of a misdemeanor and shall be punished by a fine of not less than \$25 nor more than \$100."

"Any proprietor or keeper of a saloon, gambling house or resort where liquors are sold, who shall sell or give to any minor any spirituous or malt liquors or who shall permit any minor to engage in any game in his saloon, gambling house or resort where liquors are sold, or who shall permit any minor to lounge or remain therein, shall be liable to the parent or guardian of such minor in damages, which may be collected by a civil action in a sum not less than \$50 nor more than \$1000."
